Sir,

Sub: TNPHC – Construction of compound wall around the existing Fire and Rescue Service Station building, Firemen personnel quarters and Fire and Rescue Services Division Officer building at Perambalur in Perambalur District – Estimate proposal – Sent for approval – Regarding.

Ref: 1.T.O. Lr.No. CE/Plg/F&RS/CW/1900/2017 Dt: 13.04.2017.
2. The ADO/F&RS, Perambalur Dist, Lr. No. 666/E/2010, Dt: 06.01.2020.

----*

As requested by the Assistant District Officer/Fire and Rescue Service, Perambalur District vide reference 2nd cited, the estimate proposal for the construction of compound wall around the existing Fire and Rescue Service Station building, Firemen personnel quarters and Fire and Rescue Services Division Officer building at Perambalur in Perambalur District is submitted herewith with the following details.

- The land allotted for F&RS/Perambalur at S.No:138/3,139/4&5 are having Fire service station residential quarters and parade ground. There is no compound wall around the campus. Hence in order to provide safety of the occupants in the campus and to avoid encroachment and entry of tress passers inside the campus, it was proposed to construct the compound wall for a length of 501.00 M and the proposal has been sent vide ref.1st cited for a value of Rs.18.694 lakhs based on PWD schedule of rates for the year 2016-2017.
- Now the Assistant District Officer/Fire and Rescue Service/Perambalur District has informed that certain portion of compound wall has already constructed by the Aavin (Tamil Nadu Cooperative Milk Producer Federation Ltd) in their land and hence requested to construct the compound all for the remaining portion in the campus.
- As such, now the compound wall is proposed to be constructed for the remaining length of 190.75M.
- The land belongs to fire & rescue service department and is feasible for construction of compound wall.

- The estimate is prepared as per the PWD Schedule of rates for the year 2019-2020 and the value works out to ₹12,14,400/- including all over head charges.
- The estimate is countersigned by the Assistant District Officer/Fire and Rescue Service/Perambalur District.

It is therefore requested that necessary administrative approval and financial sanction may be obtained from the competent authority and communicated to us to proceed further in this regard.

With reference to the letter cited, the feasibility report and rough cost estimate proposal for the construction of Fire and Rescue Service Station and office building at Odugathur in Vellore District is enclosed.

2. The rough cost estimate is prepared for new type design with plinth area of **517.45Sqm (5570 Sqft)** and based on the PWD Plinth area rate for the year 2019-2020 including all over head charges. The estimate, type design and tentative layout are enclosed herewith.

Sl. No	Name of Work	Amount ₹ in lakhs	Remarks
1.	Construction of Fire and Rescue Service Station and office building at Odugathur in Vellore District	243.49	<ol style="list-style-type: none">1. The land is identified in S. No.298/9, Odugathur Village in Vellore District with an extent of 0.43 hectares.2. The land belongs to F&RS department.3. The site is low lying for 3.00m than the adjacent village road and in the existing land, 40% of the land is filled with garbage for a depth of 2.50 m. Hence the dumped garbage has to be removed before taking up the project.4. Accordingly provision for gravel filling with retaining wall is included in the estimate for part of the portion i.e. where the building is accommodating.5. EB LT line is crossing in the scheme area and needs to be shifted.6. One 1000lit capacity HDPE water tank is available in the site with bore well and starter panel arrangements and this may be disturbed during construction.7. Also 1 lakh capacity RCC OHT is available in the site.8. Considering the above, the land is feasible for construction of new building.

3. It is therefore requested that necessary administrative approval and financial sanction may be obtained and communicated to us to proceed further in this regard.

2. Director/F&RS, Lr.No.3454/E3/2020,Dt:06.03.2020.

----*

With reference to the letter 1st and 2nd cited, the feasibility report and rough cost estimate proposal for the construction of Fire and Rescue Service Station and office building at Odugathur in Vellore and Kollihills in Namakkal District are enclosed.

2. The rough cost estimates are prepared based on the PWD Plinth area rate for the year 2020-2021 including all over head charges. The estimate, type design and tentative layout are enclosed herewith.

Sl. No	Name of Work	Amount ₹ in lakhs	Remarks
1.	Construction of Fire and Rescue Service Station and Office building at Odugathur in Vellore District	150.05	1. The land is identified in S. No.298/9, Odugathur Village in Vellore District with an extent of 0.43 hectares. 2. The land belongs to F&RS department. 3. The site is low lying for 3.00m than the adjacent village road and in the existing land, 40% of the land is filled with garbage for a depth of 2.50 m. Hence the dumped garbage has to be removed before taking up the project. 4. Accordingly provision for gravel filling with retaining wall is included in the estimate for part of the portion i.e where the building is accommodating. 5. EB LT line is crossing in the scheme area and needs to be shifted. 6. One 1000lit capacity HDPE water tank is available in the site with bore well and starter panel arrangements and this may be disturbed during construction. 7. Also 1 lakhs capacity RCC OHT is available in the site. 8. Considering the above, the land is feasible for construction of new building.

2.	Construction of Fire and Rescue Service Station and Office building at Kollihills in Namakkal District.	198.00	<p>1. The land is identified in S. No.274/3, Valavanthi Nadu, Namakkal District with an extent of 2.71 acres.</p> <p>2. The land belongs to F&RS department.</p> <p>3. The site is undulated and low lying hence filling is required.</p> <p>4. The site is feasible for construction only after cutting and trimming the tress from the site and the land is to be changed to Fire and Rescue Service Department and the same is under process.</p>

Memo. No. CE/Plg/F&RS /3847/2019

Dated: 16.06.2020

Sub: TNPCHC – Fire & Rescue Service department- Construction of permanent building for Fire and Rescue Services Station and 2 Station Officer quarters at Vepery in Chennai City – Regarding.

Ref: The DFO/Central Chennai, C. No. 5502/A2/2019, Dt: 04.06.2020.

*_*_*_*_*

The copy of the reference cited is enclosed herewith wherein the user department has requested to provide certain alterations in the type design for the construction of permanent building for Fire and Rescue Services Station and 2 Station Officer quarters at Vepery in Chennai City which is under construction.

Hence the Superintending Engineer/Chennai Circle is requested to furnish a detailed report whether

1. Is there any possibility to provide alterations/additions in the construction as requested by the user department?
2. If yes, is it possible to execute the same within the sanctioned financial amount ?

Encl: As stated.

Tamil Nadu Fire & Rescue Services Dept.,
No. 17, Rukmani Lakshmipathy Salai.
Egmore, Chennai - 600 008.

Sir,

Sub: TNPHC – Construction of Rest room and Sentry Room with two wheeler shed for Usilampatti F&RS station in Madurai, compound wall and CC road for Dharapuram F&RS station and Compound wall at Palladam F&RS station in Tiruppur District – Estimate proposals – Approval requested – Regarding.

Ref: 1.The DFO/F&RS/ Madurai, Lr.No.0964/E/2020, Dt:25.01.2020,
2. The DFO/F&RS/Tiruppur, Lr.No.2712/A2/2019, Dt:16.04.2019,
3. The DFO/F&RS/Tiruppur, Lr.No.6440/A2/2019, Dt:09.08.2019,(3 Copies enclosed)

----*

With reference to the letters cited, the estimate proposals for construction of Rest room and Sentry Room with two wheeler shed for Usilampatti F&RS station in Madurai, Compound wall and CC road for Dharapuram F&RS station in Tiruppur District and Compound wall at Palladam F&RS station in Tiruppur District are enclosed herewith.

2. The estimates are prepared based on the PWD plinth area rates for the year 2020-2021 and PWD SR for the year 2019 -2020 including all over head charges with the escalation charges for the year 2020-2021. The estimates and layout are enclosed herewith.

Sl. No	Name of Work	Amount in lakhs	Remarks
1.	Construction of Rest room and Sentry Room with two wheeler shed for the Fire and Rescue Service Station at Usilampatti in Madurai District.	16.73	<ul style="list-style-type: none"> ➤ It is feasible to construct the Rest room and Sentry Room along with two wheeler shed in the indentified location ➤ The estimate is countersigned by the DO/F&RS, Madurai District.
2.	Construction of compound wall and CC road to the existing Fire and Rescue Service Station building at Dharapuram in Tiruppur District.	43.16	<ul style="list-style-type: none"> ➤ There is no compound wall in between TANGEDCO office and Fire and Rescue Service Office. Hence there is chance of trespassers and no safety of the occupation of the quarters nearby. Hence compound wall is proposed for a length of 88.00m. ➤ The internal roads are damaged due to usage for more years and has to be re laid for the benefit of internal movement of vehicles. ➤ The estimate is countersigned by the DO/ F&RS, Tiruppur District.

3.	Construction of compound wall around the existing Fire Station and quarters at Palladam in Tiruppur District	17.10	<p>➤ To protect the existing firemen quarters and to avoid trespassing compound wall is proposed for a length of 224.60 M.</p> <p>➤ The estimate is countersigned by the DO/F&RS, Tiruppur District.</p>
----	--	--------------	--

3. It is therefore requested that necessary administrative approval and financial sanction may be obtained and communicated to us to proceed further in this regard.

Encl: As stated.

Yours faithfully

for Chief Engineer

To

The Director,
Tamil Nadu Fire & Rescue Services Dept.,
No. 17, Rukmani Lakshmipathy Salai
Egmore, Chennai - 600 008.

Sir,

Sub: TNPFC – Fire & Rescue Service department- Announcement made by the Hon'ble Chief Minister of Tamil Nadu on 19.07.2019- Construction of new building for Fire and Rescue Services Station at Kumbakonam in Thanjavur District –G.O. Issued- Alternate land to be identified– Regarding.

Ref: G.O. Ms. No: 641 Home (Police -XVII) Department, Dated: 14.11.2019.

*_*_*_*_*

It is informed that the Government has accorded administrative and financial sanction for the construction of new building for Fire and Rescue Services Station at Kumbakonam in Thanjavur District for a value of ₹ 244.00 lakhs vide reference cited for the identified land at S.No.1363/A1, Ward No: 1, Block No: 32, Kumbakonam Town, Thanjavur District after dismantling the old Fire and Rescue Services Station. Accordingly the survey report for dismantling the old building has been approved and the building was demolished.

Now, it is ascertained that the District Collector/Thanjavur District has informed to the DFO/F&RS/Thanjavur to indentify an alternate land instead of the land already selected in T.S.No:1363/A1, since the land is requested by the Court authority for court purposes.

Hence it is requested that necessary arrangements may please be taken to identify the suitable alternate land for the construction of Fire and Rescue Services Station and intimate to this office so as to commence the work since the delay influences escalation in cost.

Yours faithfully

for Chief Engineer

3. T.O.Letter No. CE/Plg/F&RS/Odugathur & Kollihills/2020, Dt: 25.06.2020.

*_*_*_*_*

In continuation of this office letter 3rd cited and as per oral request of the user department, the feasibility report and rough cost estimate proposal for the construction of Fire and Rescue Service Station and office building at Odugathur in Vellore and Kollihills in Namakkal District are enclosed.

2. The revised rough cost estimates are prepared for new type design with plinth area of 701.43 Sqm (7550.13 Sqft) and based on the PWD Plinth area rate for the year 2020-2021 including all over head charges. The estimates, revised type design and tentative layout are enclosed herewith.

Sl. No	Name of Work	Amount ₹ in lakhs	Remarks
1.	Construction of Fire and Rescue Service Station and Office building at Odugathur in Vellore District	326.02	1. The land is identified in S. No.298/9, Odugathur Village in Vellore District with an extent of 0.43 hectares. 2. The land belongs to F&RS department. 3. The site is low lying for 3.00m than the adjacent village road and in the existing land, 40% of the land is filled with garbage for a depth of 2.50 m. Hence the dumped garbage has to be removed before taking up the project. 4. Accordingly provision for gravel filling with retaining wall is included in the estimate for part of the portion i.e where the building is accommodating. 5. EB LT line is crossing in the scheme area and needs to be shifted. 6. One 1000lit capacity HDPE water tank is available in the site with bore well and starter panel arrangements and this may be disturbed during construction. 7. Also 1 lakhs capacity RCC OHT is available in the site. 8. Considering the above, the land is feasible for construction of new building.

2.	Construction of Fire and Rescue Service Station and Office building at Kollihills in Namakkal District.	357.25	<p>1. The land is identified in S. No.274/3, Valavanthi Nadu, Namakkal District with an extent of 2.71 acres.</p> <p>2. The land belongs to F&RS department.</p> <p>3. The site is undulated and low lying hence filling is required.</p> <p>4. The site is feasible for construction only after cutting and trimming the tress from the site and the land is to be changed to Fire and Rescue Service Department and the same is under process.</p>

Sir,

Sub: TNPHC – Providing compound wall arrangements to the existing F&S station building at Srimushnam in Cuddalore District – Estimate proposal– Sent- Approval- Requested- Regarding.

Ref: The DFO/F&RS/Cuddalore Dt C.No.2244/E/2020, Dt: 26.02.2020. (copy enclosed)

*_*_*_*_*

As requested by the District Officer/Fire and Rescue Service dept/Cuddalore District vide reference cited, the estimate proposal for providing compound wall arrangements to the existing F&S station building at Srimushnam in Cuddalore District is enclosed herewith with the following details.

- The existing F&S station building at Srimushnam in Cuddalore District has been inspected by the TNPHC officials and found that there is no compound wall around the campus. Hence as requested and in order to protect the campus from entry of public, cattle and harmful insects it is necessary to construct the compound wall.
- As such, the compound wall is proposed to be constructed for the length of 73.20 M.
- The land belongs to fire & rescue service department and is feasible for construction of compound wall.
- The estimate is prepared as per the PWD Schedule of rates for the year 2020-2021 and the value works out to ₹10,08,200/- including all over head charges.

It is therefore requested that necessary administrative approval and financial sanction may be obtained from the competent authority and communicated to us to proceed further in this regard.

No. 132, E. V. R. Salai, Kilpauk, Chennai – 600 010

Lr. No. CE/Plg/ F&RS/T. Nagar/2016

Dated: .10.2020

To

The Director,
Tamil Nadu Fire & Rescue Services Dept.,
No. 17, Rukmani Lakshmipathy Salai.
Egmore, Chennai - 600 008.

Sir,

Sub: TNPHC-Construction of new building for Fire and Rescue Service Station with development works at T. Nagar in South Chennai Division- G.O. issued - Additional fund- Requested – Regarding.

Ref: 1.T.O. Lr. No: CE/Plg/F&RS/T.Nagar/2016 dt: 15.09.2016.
2. G.O. Ms. No. 137 Home (Police –XVII) Department, Dt: 16.02.2017.

----*

In the reference 1st cited, the feasibility report along with plan and rough cost estimate for the construction of new building for Fire and Rescue Service Station with development works at T. Nagar in South Chennai Division for a value of **₹112.00 lakhs** has been sent to the Chief Office for getting administrative approval and financial sanction from the Government but the G.O. was issued for a value of **₹ 1,04,73,789/-**.

In this regard, the rough cost estimate sent for **₹ 112.00 lakhs** was prepared based on the PWD plinth area rate for the year 2015-16 including necessary development works. For getting financial sanction from Government, rough cost estimate was sent based on the PWD plinth area rates. However, to find out the exact cost of construction for the above work, detailed estimate has been prepared based on PWD schedule of rates for the current year 2020-2021 and value works out to **₹ 133.50 lakhs**. The copy of the abstract estimate is enclosed.

It is informed that, the estimate cost increases from **₹112.00 lakhs** to **₹133.50 lakhs** due to the following reasons:

1. While sending the rough cost estimate, it has been reported that the site is feasible for construction subject to the condition that the site is to be transferred to Fire and Rescue Service Department, NOC is to be obtained from Police Department for dismantling the Police Station buildings like existing traffic Police station building, Law and Order Police station building and the existing MP office building is to be dismantled. Now the land has been handed over to the Fire and Rescue Service Department by Chennai Corporation vide Ir. dt: 20.12.2019.
2. As requested by the user department, the type design has been revised and enhanced to the total plinth area 6150 Sqft from 4478 Sqft.
3. Price escalation cost for 5 years i.e. from the year 2016-2017 to 2020-2021.

Hence the details of amount required to complete the scheme is as follows:

Estimate value - ₹ 1,33,50,000/-

F.S. Amount - ₹ 1,04,73,789/-

Additional amount required - ₹ 28,76,211/-

Say ₹ 28.76 lakhs

The amount sanctioned in the above G.O. is insufficient to complete the construction of Fire and Rescue Service Station in full fledged manner and hence, an additional amount of **₹28.76 lakhs** is required.

In view of the above, it is requested that the balance amount of **₹28.76 lakhs** may be obtained from the competent authority and communicated to us to take up the work at the earliest in order to avoid further escalation in cost.

Encl: Copy of abstract estimate.

6. T.O. D.O Lr. No: CE/Plg/F&RS/1134/2015 dt: 11.07.2019.

----*

It is informed that the Government has sanctioned Rs.180.87lakhs for the construction of 1 SFO quarters, 12 Firemen quarters (2 Blocks of 6 in 1 G+2) and 4 Firemen quarters vide ref. 1st cited against the rough cost estimate value of ₹ 277.07 lakhs based on PWD plinth area rates for the year 2014-2015. Due to insufficient financial sanction, additional amount of ₹126.82 lakhs has been requested vide reference 2nd cited.

Further, based on the reference 3rd cited, the estimate proposal for the construction of 1 SFO quarters, 12 Firemen quarters (2 Blocks of 6 in 1 G+2) and 4 Firemen quarters (1 Block of 4 In 1 G+1) were prepared separately and sent vide ref. 4th cited as follows with a request to obtain necessary additional amount of ₹216.50 lakhs and communicated to us to proceed the work at the earliest.

Sl. No	Name of Work	Amount in lakhs	Remarks
1.	Construction 1No of SFO quarters for Fire and Rescue Service personnel at Thiruthuraipoondi in Thiruvarur District	38.08	1. The land is identified in S.No.72/1-B in Thiruthuraipoondi in Thiruvarur District to a total extent of 4050.00 Sqm. 2. The land Belongs to F&RS Dept. 3. The site is low lying area 1.80 m from the ground level. Filling is required. 4. The site is feasible for construction of new quarters.
2.	Construction 12 of Firemen quarters (2 Blocks of 6 in 1 G+2) for the Fire and Rescue Service personnel at Thiruthuraipoondi in Thiruvarur District	264.68	
3.	Construction of 4 Nos of Firemen quarters (1 Block of 4 in 1 G+1) for the Fire and Rescue Service personnel at Thiruthuraipoondi in Thiruvarur District	94.91	
	Total	397.37 lakhs	

3. Subsequently, certain additional details as called for by the Government was sent vide ref. 5th cited.

4. Therefore it is requested that necessary additional sanction of **₹216.50 lakhs** may be obtained and communicated to us to proceed with the work at the earliest so as to avoid further escalation cost.

Yours faithfully

for Chief Engineer

Sir,

Sub: TNPHC – Construction of compound wall around the existing Fire and Rescue Service Station building, Firemen personnel quarters and Fire and Rescue Services Division Office building at Perambalur in Perambalur District – Estimate proposal – Sent for approval – Regarding.

Ref: 1.T.O. Lr.No. CE/Plg/F&RS/CW/1900/2017 Dt: 13.03.2020.
2. The ADO/F&RS, Perambalur Dist, Lr. No. 666/E/2010, Dt: 09.10.2020.

----*

As requested by the Assistant District Officer/Fire and Rescue Service, Perambalur District vide reference 2nd cited, the estimate proposal for the construction of compound wall around the existing Fire and Rescue Service Station building, Firemen personnel quarters and Fire and Rescue Services Division Office building at Perambalur in Perambalur District is submitted herewith with the following details.

- The land allotted for F&RS/Perambalur at S.No:138/3,139/4&5 are having Fire service station residential quarters and parade ground. There is no compound wall around the campus. Hence in order to provide safety of the occupants in the campus and to avoid encroachment and entry of tress passers inside the campus, it was proposed to construct the compound wall for a length of 501.00 M and the proposal has been sent vide ref.1st cited for a value of Rs.18.694 lakhs based on PWD schedule of rates for the year 2016-2017.
- Now the District Officer/Fire and Rescue Service/Perambalur District has informed that certain portion of compound wall has already constructed by the Aavin (Tamil Nadu Cooperative Milk Producer Federation Ltd) in their land and hence requested to construct the compound all for the remaining portion in the campus.
- As such, now the compound wall is proposed to be constructed for the remaining length of 190.75M.
- The land belongs to fire & rescue service department and is feasible for construction of compound wall.

- The estimate is prepared as per the PWD Schedule of rates for the year 2020-2021 and the value works out to ₹12,74,800/- including all over head charges.
- The estimate is countersigned by the District Officer/Fire and Rescue Service/Perambalur District.

It is therefore requested that necessary administrative approval and financial sanction may be obtained from the competent authority and communicated to us to proceed further in this regard.

Encl: As stated.

Sub: TNPHC–Providing retaining wall and filling low lying area for the construction of permanent building for Fire and Rescue Service Station at Avinashi in Tiruppur District- estimate proposal–Additional fund requested–Returned–Regarding.

Ref: The SE/NC/Plg/F&RS/11/2020, dt: 14.09.2020.

----*

The estimate proposal for the work referred in the subject furnished by the Superintending Engineer/North Circle vide reference cited is returned herewith.

- G.O. has been obtained for the construction of permanent building for Fire and Rescue Service Station at Avinashi in Tiruppur District for Rs.129.71 lakhs in which provision for retaining wall, filling low lying area are included. In the technical sanctioned estimate also necessary provision has been made for retaining wall, filling low lying area. Hence seeking additional fund from Government is not correct at this stage.
- It has been mentioned that “as per G.O. item No: 8 as additional requirement shall be requested during execution of work it need arises”. This may be clarified.
- The proposal is not countersigned by the unit officer as mentioned in the Superintending Engineer’s letter.
- Hence a detailed proposal by incorporating the justification for the excess amount involved in the above said work may be furnished.
- Furnish the source of fund if any in the scheme works so as to meet out the excess amount for this work.

Sub: TNPHC – Extension of DFO room & office room and minor works to the existing District Office fire and rescue office building at Villupuram in Villupuram District – Estimate proposal – Sent for approval – Regarding.

Ref: The District Officer/F&RS/Villupuram Dist, Lr. No:7981/A2/2018, Dt:25.05.2020.

--*-*

As requested by the District Officer/Fire and Rescue Service/Villupuram District vide reference cited, the estimate proposal for the extension of DFO room & office room and minor works to the existing District Office fire and rescue office building at Villupuram in Villupuram District is submitted herewith with the following details:

- The existing fire and rescue office building is constructed during the year 2004. The user department has informed that the existing DFO room and office room is insufficient during meeting is conducted and hence requested to extend the DFO room and office room area. Also it has been requested to attend some minor works such as painting, electrical works etc. in the building since the age of the building is 16 years.
- As such the estimate is prepared for the extension of the DFO room and office room area and to carryout minor works in the station building.
- The land belongs to fire & rescue service department and is feasible for the extension of DFO room & office room.
- The estimate is prepared as per the PWD Schedule of rates for the year 2020-2021 and the value works out to ₹31,76,800/- including all over head charges.
- The estimate is countersigned by the District Officer/Fire and Rescue Service Dept/Villupuram District.

It is therefore requested that necessary administrative approval and financial sanction may be obtained from the competent authority and communicated to us to proceed further in this regard.
