ORDER:

In pursuance of the Government order 1st cited above and the details furnished by you were scrutinized in detail and as you are fitted and reclassified in the new class of registration under **Class IV**. With Monetary value from ₹50.00 Lakhs & upto ₹2.00 Crores in Circle level and assigns No.3 subject to condition that you are not a member in any construction Co-operative society or a partner in any construction company who have already been registered as **Contractor in TNPHC Ltd**

The contractors are informed that if you have not participated in any tender call for continuous period of five years or if you have not participated in the tender continuously for three times after purchasing the tender schedule your name is liable for removal from the list of contractors without any prior notice.

ii. You are requested to produce I.T.C.C., GST, EC on Solvency, Experience certificate every three years.

iii. The registration does not confer any right on the contractor to claim entrustment of works for execution but it only makes them eligible to apply and tender for works which will be decided on the sole discretion of the officers competent to approve the tenders. They are eligible to take up works only in South Circle jurisdiction.

iv. The contractors shall intimate to this office any change in respect of the property on which solvency certificate has been obtained and change of address / partner ship deed and if any.

v. If the particulars furnished by the contractors in connection with this found to be false at a later date, your registration as contractor will be cancelled forthwith and they are liable for penal/legal action for the above.

vi. The temporary suspension of the registration of contractors for Minor lapses such as non-production of ITCC/GST/EC on solvency experience certificate etc will be considered only after remitting a fee of Rs.500/- along with details and required certificates for every three years.

This certificate valid for three years.
